

FOR IMMEDIATE RELEASE – November 4, 2008

AARON K. EXITS RADIO DISNEY

Plano, Texas – RADIO DISNEY nationally syndicated on-air personality Aaron K. exits after five years of nights and weekends. Aaron also produced shows and features for the network, and he helped launch Radio Disney's iTunes store. Aaron will take over marketing and PR responsibilities at Plano-based Working Solutions.

Aaron started in radio at age fifteen at WKPK-FM in Gaylord, Michigan. During his broadcasting career, he also made stops at WIOG-FM in Saginaw and WDRQ-FM in Detroit. Originally splitting his time between production and on-air at Radio Disney, Aaron took over the night show in the fall of 2005 and doubled the ratings within six months.

Aaron will now be using his business degree to handle marketing and PR duties for Working Solutions, a leader in the business process outsourcing industry.

About **Working Solutions**: Since 1996, Working Solutions has been providing remote customer service agents to Fortune 1000 companies.
